NOT FOR DISTRIBUTION IN THE UNITED STATES

FINAL RESULTS OF THE PROCEDURE TO FULFILL THE OBLIGATION TO PURCHASE THE REMAINING SHARES OF BOLZONI S.p.A. PURSUANT TO ARTICLE 108/2 OF THE TUF

Masate (MI), Italy, June 29, 2016 – Reference is made to the notice issued on June 24, 2016 through which Hyster-Yale Capital Holding Italy S.r.l. (“HY Italy” or the “Offeror”), a wholly-owned subsidiary of Hyster-Yale Materials Handling, Inc. (NYSE: HY), announced the provisional results of the procedure for the fulfillment of the Obligation to Purchase Pursuant to Article 108, Paragraph 2, of the TUF, targeting a maximum of 1,571,578 Shares of Bolzoni S.p.A., an Italian company whose shares are listed on the STAR segment of the Italian Stock Exchange (*Mercato Telematico Azionario*) (the “Issuer” or “Bolzoni”), equal to approximately 6% of the Issuer’s share capital (the “Remaining Shares”).

All the capitalized terms that are not otherwise defined in this notice shall have the same meanings attributed to them in the offer document approved by CONSOB with resolution No. 19598 dated May 4, 2016 and published on May 6, 2016 (the “Offer Document”).

The Offeror hereby confirms that, with reference to the procedure for the fulfillment of the Obligation to Purchase Pursuant to Article 108, Paragraph 2, of the TUF, in relation to which the period for submitting sales requests started on June 6, 2016 and ended on June 24, 2016, as agreed upon by the Offeror with Borsa Italiana, sales requests for 780,720 Remaining Shares, representing approximately 3.003% of the Issuer’s share capital, have been delivered. The payment of the consideration for the Remaining Shares tendered to the procedure for the fulfillment of the Obligation to Purchase Pursuant to Article 108, Paragraph 2, of the TUF, which is in cash and equal to the Consideration (namely, EUR 4.30 per Remaining Share), and the simultaneous transfer of title to such Remaining Shares to HY Italy will take place on July 1, 2016 (the “Payment Date of the Consideration for the Obligation to Purchase”).

On the basis of the final results of the procedure for the fulfillment of the Obligation to Purchase Pursuant to Article 108, Paragraph 2, of the TUF, as communicated by Banca IMI S.p.A., in its capacity as Global Coordinator, the Offeror confirms that, on the Payment Date of the Consideration for the Obligation to Purchase, the Offeror will hold in the aggregate, directly and indirectly, 25,203,057 Shares, including 18,274 Treasury Shares of the Issuer, representing approximately 96.957% of the Issuer’s share capital.

Obligation to Purchase Pursuant to Article 108, Paragraph 1, of the TUF and Right to Purchase Pursuant to Article 111, Paragraph 1, of the TUF

As indicated in the Offer Document and in the notices respectively issued on June 15 and June 24, 2016, since, based on the above final results of the procedure for the fulfillment of the Obligation to Purchase Pursuant to Article 108, Paragraph 2, of the TUF, HY Italy holds in the aggregate, directly and indirectly, a stake in Bolzoni that is greater than 95% of the Issuer’s share capital, the Offeror will exercise the Right to Purchase pursuant to Article 111, paragraph 1, of the TUF, complying at the same time with the Obligation to Purchase Pursuant to Article 108, Paragraph 1, of the TUF, thereby carrying out the Joint

Procedure regarding all of the outstanding Shares which are still held by the Shareholders as at the Payment Date of the Consideration for the Obligation to Purchase, namely 790,858 Shares, representing approximately 3.042% of the Issuer's share capital (the "Residual Shares").

Following the Joint Procedure, the Offeror will pay a price for each Residual Share equal to the Consideration, namely, EUR 4.30 per Residual Share. Taking into account the number of the Residual Shares, the maximum amount of the Joint Procedure will be equal to EUR 3,400,689.40 (the "Maximum Amount of the Joint Procedure").

In order to perform the Joint Procedure, on July 6, 2016 the Offeror will confirm to the Issuer the availability of the Maximum Amount of the Joint Procedure on the bank account opened with the Guarantor. Starting as of such date, the transfer of title to the Residual Shares to the Offeror will be effective and the relevant entry with the shareholders' ledger of the Issuer pursuant to Article 111, paragraph 3, of the TUF will be performed.

The obligation of the Offeror to pay the Consideration for each Residual Share shall be deemed to have been fulfilled when the relevant sums are transferred to the Appointed Intermediaries. The risk that the Appointed Intermediaries and/or the Depository Intermediaries fail to transfer the above-mentioned sums to the persons entitled to receive them, or delay the above-mentioned transfer, shall be borne by the holders of the Residual Shares.

Delisting

It is hereby noted that Borsa Italiana, pursuant to Article 2.5.1, paragraph 6, of the Borsa Rules, will order the suspension from trading of the Shares of the Issuer on the *Mercato Telematico Azionario* for the trading sessions of July 4 and July 5, 2016, and the Delisting as of the trading session of July 6, 2016.

The Offer Document is available to the public for consultation on the web-site of the Issuer www.bolzonigroup.com and on the web-site of Sodali S.p.A. (the Global Information Agent) www.sodali.com.

About Hyster-Yale Materials Handling, Inc.

Hyster-Yale Materials Handling, Inc., headquartered in Cleveland, Ohio, through its wholly-owned operating subsidiary, Hyster-Yale Group, Inc., designs, engineers, manufactures, sells and services a comprehensive line of lift trucks and aftermarket parts marketed globally primarily under the Hyster® and Yale® brand names. Forward-looking Statements Disclaimer

This press release contains forward-looking statements within the meaning of the U.S. federal securities laws. These forward-looking statements may include, but are not limited to, statements as to the acquisition of Bolzoni S.p.A. by Hyster-Yale, expected long-term growth for the combined company, plans for geographic expansion in the global marketplace and any other statements about Hyster-Yale's or Bolzoni S.p.A.'s managements' future expectations, beliefs, goals, plans or prospects. Any statements that are not statements of historical fact (including any statements containing the words "believes," "plans," "anticipates," "expects," "estimates," and similar expressions) should also be considered forward-looking statements. Readers are cautioned that all forward-looking statements are based on current expectations and involve risks and uncertainties and a number of factors could cause our actual results to differ materially from any results indicated in this release or in any other forward-looking statements made by us, or on our behalf. Factors that could cause actual results to differ from these forward-looking statements include, but are not limited to (1) conditions affecting the industries in which Hyster-Yale or Bolzoni S.p.A. operate may change, (2) Hyster-Yale may not be able to successfully integrate Bolzoni S.p.A.'s operations and employees, (3) other factors that may affect Bolzoni S.p.A. and are described under the heading "Principal Risks and Uncertainties" in Bolzoni S.p.A.'s Annual Report for the year ended December 31, 2015 and its Quarterly Reports, (4) reduction in demand for lift trucks and related aftermarket parts and service on a global basis, (5) the ability of dealers, suppliers and end-users to obtain financing at reasonable rates, or at all, as a result of current economic and market conditions, (6) the political and economic uncertainties in Eastern Europe and Brazil, (7) customer acceptance of pricing, (8) delays in delivery or increases in costs, including transportation costs, of raw materials or sourced products and labor or changes in or unavailability of quality suppliers, (9) exchange rate fluctuations, changes in non-U.S. import tariffs and monetary policies and other changes in the regulatory climate in the non-U.S. countries in which Hyster-Yale operates and/or sells products, (10) delays in manufacturing and delivery schedules, (11) bankruptcy of or loss of major dealers, retail customers or suppliers, (12) customer acceptance of, changes in the costs of, or delays in the development of new products, (13) introduction of new products by, or more favorable product pricing offered by, competitors, (14) product liability or other litigation, warranty claims or returns of products, (15) the effectiveness of the cost reduction programs implemented globally, including the successful implementation of procurement and sourcing initiatives, (16) changes mandated by federal, state and other regulation, including health, safety or environmental legislation, (17) the successful commercialization of Nuvera's technology and (18) the introduction of a more accepted product to the market by a competitor, making the Nuvera technology less marketable. The forward-looking statements contained in this release speak only as of the date on which they are made and, except as required by law, neither Hyster-Yale nor Bolzoni S.p.A. express any intention or undertake any obligation to update any forward-looking statements to reflect events or circumstances after the date of this press release and as a result, no undue reliance should be placed on these forward-looking statements.

Disclaimer

This press release shall not be published in, distributed or sent to any jurisdiction or territory in which its publication or the offers referred to herein might be illegal or would require any registration or filing of additional documentation, and the persons that receive this press release will not be allowed to publish it in, distribute or send it to such jurisdictions or territories.

This press release may not be published, distributed, diffused or otherwise sent into the United States of America. The tender offer will not be made, directly or indirectly, in the United States of America, or by use of the mails, or any means or instrumentality (including, without limitation, facsimile transmission, telephone and internet) of interstate or foreign commerce of, or any facilities of any national securities exchange of, the United States.

This press release does not constitute an extension into the United States of any offer mentioned in this press release, nor does this press release constitute nor form part of an offer to buy securities or the solicitation of an offer to sell securities in the United States or any other jurisdiction in which, or to any persons to whom, such offer or solicitation would be unlawful.
